Exciting Expansion for Towpath Trail High School: New Facility to Enhance Career Tech Programs

We are thrilled to announce that Towpath Trail High School has recently purchased a new facility located approximately 0.25 miles from our main campus. This new building, situated at 375 W North Street, spans 27,000 square feet and promises to bring significant enhancements to our school's capabilities.

The acquisition of this new space will not only provide much-needed room for our existing programs but will also pave the way for the introduction of several new career tech programs. These developments are set to enrich the educational experiences and career readiness of our students.

The design phase for the new facility is currently underway, with plans being carefully developed to maximize the potential of the space. Although the final construction schedule has yet to be determined, we are eagerly anticipating that the new building will be completed during the 2025/26 school year.

Among the exciting new features planned for the facility are:

- **Expansion of the Healthcare Program:** This will allow us to accommodate more students and provide additional resources and equipment to enhance learning.
- **In-house Classroom for Construction:** A dedicated space where students can gain hands-on experience and practical skills in the construction field.
- **New Nail Tech Program:** This program will offer specialized training for students interested in pursuing careers in nail technology.
- **Culinary Program:** A state-of-the-art kitchen and learning environment where students can develop their culinary skills and explore the food service industry.

These new programs are designed to provide our students with diverse opportunities to explore their interests and prepare for their future careers. The expansion aligns with our commitment to offering comprehensive and innovative education that meets the evolving needs of the job market.

PROM HIGHLIGHTS!

Old Brook High School's Parma Campus Celebrates Continuing Educational Excellence

Old Brook High School's Parma Campus is proud to celebrate the outstanding achievements of our Career and Technical Education (CTE) programs, instructors, and students. This year, three of our exceptional students have successfully completed their CTE programs and are now embarking on exciting post-secondary pursuits.

Jazalyne Rodriguez, who earned a Business Credential, has been admitted to Tri-C where she will pursue a career as a Professional Culinarian/Cook. Aaliyah Rhodes, who achieved a Phlebotomy Credential and is on her way to earning a Certified Clinical Medical Assistant (CCMA) Credential, has been awarded a full-ride scholarship for Nursing at Ursuline College. Laila Gonzalez, who completed a Construction Credential, has been accepted into Kent State's College of Architecture and Design.

We also want to extend our heartfelt congratulations to Stephanie DiRocco's Nail Tech students, all of whom passed the State Board exams with flying colors—an impressive 16 out of 16 this year! This remarkable achievement is a testament to the dedication and excellence of our instructors.

Our core four instructors have been doing an amazing job, and we couldn't be prouder of their efforts. Their hard work and commitment to excellence have greatly contributed to the success of our students. At Old Brook High School, our students truly are a product of the exceptional instruction they receive.

Congratulations to all for a phenomenal year!

Old Brook Parma Faculty and Staff Recognized with Ohio House of Representatives Award

Old Brook High School's Parma Campus recently celebrated a momentous occasion as State Representative Sean Brennan visited the school to present the prestigious Ohio House of Representatives Student and Staff of the Month awards. The awards were given in recognition of the outstanding achievements and dedication of both students and staff members, highlighting the exceptional quality of education and commitment to excellence at OBP.

Two exemplary students, Lexi Bostwick and Aaliyah Rhodes, were honored as Students of the Month. Lexi and Aaliyah have demonstrated exceptional academic performance, leadership, and commitment to their studies, embodying the values and high standards of Old Brook Parma.

In addition, four dedicated staff members were recognized for their remarkable contributions to the school community. Mrs. Rohde, an Intervention Specialist, was celebrated for her unwavering support and advocacy for students with diverse learning needs. Ms. Dreyer, the Placement Specialist, was acknowledged for her tireless efforts in securing valuable opportunities for students. Ms. Amodio, an Instructional Aide, received accolades for her commitment to enhancing the educational experience of her students. Lastly, Mr. Jungling, a Science Teacher and Assistant Director, was honored for his dual role in providing top-tier science education and his leadership within the school.

This recognition from the Ohio House of Representatives is a testament to Old Brook Parma's standard of excellence, the quality of its educational programs, and the dedication of its incredible staff. We are beyond proud of Lexi, Aaliyah, Mrs. Rohde, Ms. Dreyer, Ms. Amodio, and Mr. Jungling for their outstanding achievements and contributions to our school community. Congratulations to all six recipients for their well-deserved awards!
